Dear Sir

I was informed the other day that you offered a premium on the Legal Silver dollar that was ~~stamped~~ stamped in the year 1880. Please let me know by return mail if it is so or not and if you give a premium on them let me know how much it is on the dollar and where they must be sent to to obtain the Premium.

Please let me also know how many were stamped in that year. By answering this by return mail you will greatly oblige

Respectfully Yours
F. W. Lenker.
